

We Do Things Differently at Pallet Guys of Virginia

Pallet guys of Virginia is not your regular pallet company. We are life-long NOVA residents, we care about local businesses and want to see the local economy thrive, and we are committed to being a part of that change. We are also life-long customers, and we care how we are treated—or *mistreated*, for that matter. The owners started this company to ensure customers are put first, and to trust if we continue to follow through on what we promise, provide effective solutions, and roll-up our sleeves every day, only then will we earn our position as the premier pallet company of greater Washington, DC.

We are experts in our field and committed to old-fashioned customer service. We can help you find the best and affordable solution for your storage or shipping needs. Here at Pallet Guys, we believe in providing *value*, and we think that means being the only all-in-one industrial shipping supplies company of Northern Virginia. Among our services and products are new and used pallets, pallet removal and recycling, and a pallet management plan. We also offer other industrial shipping supplies such as dunnage, reels, drums and crates. We guarantee on time delivery and pick up with no disruption to your daily operations.

Great service means happy clients and streamlined operations so you can focus on what matters the most in your business. Let the Pallet Guys of Virginia help you with your pallet needs today!

Our Services

Pallet Guys of Virginia is a full-service pallet company. Below are the services we provide to every customer who chooses to do business with us.

NEW AND USED PALLETS

- We can service all your pallet needs and save you money
- We provide NEW pallets, and HIGH-QUALITY USED grade A and grade B pallets for an EXTREMELY COMPETITIVE PRICE
- We can provide standard 48"x40" as well as CUSTOM-SIZED pallets to fit all your needs
- Differently from most of the other pallet supplier we have NO MINIMUM ORDER

PALLET RECYCLING AND REMOVAL

- AVOID OSHA ISSUES. Any commercial business can be subjected to OSHA inspection anytime. Violations can range from \$50 to \$7000. One of the most common violations is poor debris management. Let us help you keep your facility tidy and avoid potential costly hazards.
- AVOID SCAVANGERS. If you are dealing with unwanted pallets you know they can pile up quickly. "Scavengers" and less-than-trustworthy individuals will take only what they want and leave you with a bigger mess. This does NOT solve your problem...but we can! We will remove ALL your unwanted pallets & debris and SAVE YOU TIME AND MONEY.

CRATES, REELS AND MORE

- If your items need to be protected during transportation WOODEN CRATES might be the right choice for you. Our experts will help you choose the size and materials specific to your needs.
- We also provide other products including DUNNAGE and REELS. We supply nailed wood and plywood reels for cable companies and other industrial needs. New and used reels available.
